

Vendor Checklists

# Monitoring Hygiene

**As a vendor, you are responsible for ensuring that your helpers practice good hygiene at your stall.**

- Ensure everyone working at your market stall is familiar with proper hygiene and hand washing/cleansing procedures
- Ensure that market workers are appropriately attired and have removed their jewelry
- Assign someone to check that all workers practice good hygiene and wash/cleanse hands frequently at market
- Make sure the safety toolkit is properly supplied and ready for market
